

COVID-19 Safety Precautions

We are implementing several precautions to keep everyone happy and safe during their visit to our farm. These include:

- 1. Hand sanitizing stations at every activity.**
- 2. Safe distancing at all our events including the hayride.**
- 3. Wagon rides will only take as many riders as can be safely seated on the wagons. Group/ family seating with others 6' apart.**
- 4. Pumpkin weighing stations apart from check out to avoid crowding.**
- 5. No one will be admitted without masks. Masks must be worn everywhere on the farm except when eating or picture taking.**

Due to the COVID-19 epidemic we will not be hosting birthday parties the way we have in the past. Our party room will not be available for the “sit down” part of the celebration. However, feel free to bring a group to enjoy the activities and pick a pumpkin. An early morning gathering time would be best. No reservation necessary but call Joyce if you plan to do this.
